4-H and FFA Poultry Show and Auction

In April of 2025, 4-H and FFA members began their poultry projects specifically to participate in the Chattooga County Agricultural Fair. The 2025 Chattooga County Poultry Project is showcasing two breeds again this year, the Black Star and the Red Star. These breeds are noted for their excellent egg production and dual-purpose use. Each student received 8 three-day-old chicks to raise. They were required to keep records, and attend workshops on how to select their best three chickens for judging. The student's selected birds will be judged on August 23rd, at 4:00 pm. Pens of three hens will be auctioned off at 7:00 pm with all of the proceeds going back to the student. Cages will be provided for you to take your chickens home in. Please arrive by 6:30 PM to receive a bid number. Livestock projects promote responsibility, self-motivation, responsible record keeping, and agricultural education. Please come support our 4-H and FFA students of Chattooga County by purchasing their chickens!

A special thank you to Mr. Yarbrough's Chattooga County's FFA Basic Ag Class students who built cages for the buyers to take their chickens home in.

Judging will be at 4:00 PM, Saturday August 23,
with awards announced at 6:30 PM

Auction begins at 7:00 PM

Market Hog Preview Show

Chattooga County FFA and 4-H students will be showing their Market Hogs at the fair in conjunction with the Young Farmer's Annual Chattooga Youth Pig Project. Students receive hogs in June and raise them for a final show and auction which is held in November.

The 2025 Chattooga County Agricultural Fair is pleased to give the public a sneak peek of the hogs that will be available in the November 2025 auction which is open to the public. The Chattooga County Agricultural Fair Market Hog Show will begin at **6:00 pm on Sunday, August 24**. There will be showmanship divisions followed with weight classes to determine the Grand Champion and Reserve Grand Champion at the fair.
